Dear Parents/ Carers,

As you may know, there has been an update on the wearing of face masks in primary schools.

Here is an extract from the guidance:

“In primary schools where social distancing is not possible in indoor areas outside of classrooms between members of staff or visitors (for example, in staff rooms), head teachers will have the discretion to decide whether to ask staff or visitors to wear, or agree to them wearing face coverings in these circumstances. But children in primary school do not need to wear a face covering.”

Here are the changes that will come into effect tomorrow:

- We are asking parents to wear face masks when dropping off or collecting on our playground
- Adults in school will wear masks in communal areas when they are in contact with other bubbles
- Adults will wear masks when on the playground with parents
- Visitors will be asked to wear a mask in communal areas

These changes have been introduced with the very best of intentions to safeguard the wellbeing of everyone who uses the school site during these unprecedented times. We are aware that some people are unable to wear a face mask so please do not be worried if this is the case for yourself or someone in your family.

With kind regards

Jo Slack
