Dear Parents and Carers,

I hope you are all well and keeping safe. We are missing you so much and cannot wait until we can all be back at school safely.

As you will have heard yesterday, the government are starting to share their plans for coming out of lockdown but, thankfully, this will all be based on monitoring infection rates over the coming weeks putting the safety of our families first and foremost.

As a school, we are now awaiting further guidance from the government regarding what this will look like (if it happens) so we can prepare the staff and building for the children's safe return.

Attached is a letter from the Pathfinder Multi Academy Trust which reiterates the message from the government yesterday. As a school, we are very privileged to be part of the Trust who continue to support us as a family of York schools working together to ensure our children's best interests are always at the centre of all decisions we make.

I will continue to stay in touch with you regarding any changes which may take place over the coming weeks.

If you need further support or have questions which need our attention, please contact school on 01904 555271 or email office@tanghall.pmat.academy.

Yours sincerely,

J Slack
