Dear Parents and Carers,

I hope this letter finds you safe and well. Over this period of partial closure I have spent time as the Early Years Lead reflecting on the sessions that we offer to our children. Following this I am writing to you as part of a **two week** consultation process to make some changes to the school day for our Puffins class. Once the consultation is over, I will consider whether or not to introduce these changes for September 2020.

I want to ensure that every child is given the best possible start to their education and as such I would like to introduce **two** sessions to our Puffins class. Children will be able to join us for up to five mornings **or** up to five afternoons each week. But children will not be able to mix morning and afternoon sessions and will not be able to come for full days.

The sessions will be:

Morning 8.30am – 11.30am Afternoon 12.00pm – 3.00pm

We will no longer be offering a lunch session for the Puffin class.

I want to achieve for every child, more effective learning, and more personalised learning opportunities that are progressive throughout the week. I want children to feel safe and secure and to gain familiarity with the adults and children who are part of their sessions.

I believe that these changes will be a significant benefit to all children and to the school. If you have a view on the proposal please email the school at office@tanghall.pmat.academy. This consultation process will end Thursday 28th May 2020.

Kind Regards

Gemma Tinker
